

Peregrine

Team Esthwaite

February Peregrine Express 2010

Dear Peregrines

As the new season is rapidly approaching, I thought that rather than a load of texts and phone calls flying around, it would be better if this news letter could be a method of keeping people up to date with where the new Peregrine Team Esthwaite is up to! I will spell things wrong and you can forget punctuation, but here goes anyway!

2010 Peregrine Team Esthwaite members:-

Ben Bayliss
Alistair Beaumont
John Henshall
Adam Larbalestier
Dave Morris
Brian Sheilds
Jon Turner

There is provisionally booked four boats for our first meet up date on Sunday the 7th of March 2010 at Esthwaite. This is an opportunity for everyone to meet for a social day and maybe a little bit of fishing if this cold spell will bugger off! It will be our chance to promote Esthwaite in the best way we can to show David that we are a committed team for the future.

Matches for 2010

ESTHWAITE OPEN PAIRS MATCH

The open pairs match calendar starts on the 14th of March, John is already booked in this heat and Dave and I are on stand by for a boat. If we don't manage, there will be other heats that we will take part in. It's a good match and we should support it as best we can.! Spoke to Dave Coleman yesterday and he was very up beat about the new season with fish coming from a reputable fish farm up north! With two early stockings in March ready for the open day, then three per month from then on in. It could make for some interesting fishing this year, learning the water all over again. I am really looking forward to the challenge!

AWAI

We have been accepted into the northern heat at Rutland water 23rd and 24th of April 2010, the entrance fee has been paid and the accommodation has been booked, we are in the White Horse at Empingham £35pp (<http://www.whitehorserutland.co.uk/>) all we have to pay for is the match fees and practice boats and practice day. I will book the practice boats and contact everyone as soon as the fees come through. We can sort out the practice day partners when we arrive at the lodge for a brekkie and one of those fine Rutland ice hockey pucks called black pudding!

Team for the AWAFI:-

LEXUS EUROPEAN CHAMPIONONSHIPS

Nothing booked as yet, but due to Brenig being in poor condition and the recession hitting the Lexus with reduced entrance prices, I see an opportunity to tackle the Chew nightmare for a second year. There will be more teams that don't take part this year than last year, so we can march on into the European final.

It's looking like we will be doing the heat at Stock's on the Saturday the 17th of July with no practice, but if anybody fancies the individual heat as a means of practice it may give the team a few pointers. I will be on Stocks the week before for a mooch about and I will brain wash Dave into joining me as I know how much he likes the place. LOL

I will contact everyone when I pay for the entrance fee but please could you have £25 ready for a quick payment?

BOB CHURCH OPEN

Dave, John, Benny and I are booked into the Bob Church open on the 11th of April at Grafham water, if any of you guys would like to fish, book yourself on and we can all travel together. Just another bit of fun.

ENGLAND QUALIFIERS AND ANY OTHER COMPS!

It's entirely up to you if you fancy having a go; I will be doing the Stocks eliminator on the 16th of May if anybody cares to join me. It's just another bit of fun for the season.

Let's see how the new season unfolds and if anybody fancies doing any comps wherever they may be, spread the word around the team (all the Email addresses are attached to this letter) and we will fly the Esthwaite flag.

All of you have my mobile number 07983422129 but I haven't included all your numbers for privacy reasons, but if you're not bothered, we can all share each others numbers. I will leave that open for now.

Team Shirts and Caps.

I have held back on this one for this year, until we were sure what we are doing but I still have our logo on file at the embroiderer and he is ready to make new gear for us. He can do caps, shirts and fleeces to whatever spec we choose, so we can discuss this on the 7th as it only takes a week to get sorted.

Come on the Peregrines!
